課程簡述 course description	This course provides students a flipped classroom and active approach of the study of sustainability and its practice in Taiwan, especially through artistic expression. This course contains four major aspects: (1) responding to social change trends and issues to integrate into learning and future work; develop communication, teamwork, problem solving, and a willingness to continue professional growth through practice and reflection on sustainability; (2) exploring the connotation and case studies of the 17 United Nations SDGs; (3) actually use the SDGs as inspiration to create individual art works; and (4) self-examination and team review of change capabilities and achievements.				
	The class will be discussion and action oriented on the basis of prior material reading, which the students are expected to complete before class time. Students are asked to take an active initiative to reflect upon and take action for change in the modern global environment by expressing their ideas and impressions of sustainability and the SDGs in individual art works in class.				
	本課程採用翻轉教室與主動學習的方式，帶領學生探討永續發展及其在臺灣的實踐，並特別強調透過藝術表達來進行詮釋。課程內容涵蓋四大面向：(1) 回應社會變遷的趨勢與議題，並將其融入學習與未來工作，藉此培養溝通能力、團隊合作、問題解決及持續專業成長的意願，並透過實踐與反思加深對永續的理解；(2)探討聯合國 17 項永續發展目標（SDGs）的內涵與相關案例；(3) 以 SDGs 為靈感，創作個人藝術作品；(4) 透過自我檢視與團隊回饋，檢討自身的改變能力與實際成果。 課程將以討論與行動為導向並以學生課前須完成指定閱讀的材料為基礎而展開。學生需主動地進行反思並採取行動，並當代全球環境變遷提出想法，並在課堂中透過個人藝術創作表達對永續與 SDGs 的觀點與體會。				

教學目標 course objectives	1. To provide a critical understanding of key issues of sustainability, the SDGs and active change. 2. To explore how sustainability can find expression in artistic activity and work.				
	1. 提供對永續發展、SDGs 及行動改變等關鍵議題的批判性理解。 2. 探索永續理念如何透過藝術活動與創作加以呈現。

授課內容（單元名稱與內容、習作/考試進度） course contents and homework/tests schedule					
Students will be asked to actively participate in the activities and share their findings in the class. The subjects and documents, as well as the class schedule, mentioned in the syllabus are only indicative and can be changed pursuant to the teacher's ideas on the progress of the class. All materials are expected to be read and/or viewed by the students before class. All required home-works are to be submitted on the relevant dates to the teacher, without late acceptance. Submission of papers is on paper, and midterm presentation and classroom summaries are digital. Each group presentation will last around 40 minutes. The presenters will prepare 4 to 5 questions on the material which will be discussed in class. For this purpose, the students will be asked to form groups of 2 to 3 students (depending on the total class number). The subjects and documents, as well as the class schedule, mentioned in the syllabus are only indicative and can be changed pursuant to the teacher's ideas on the progress of the class. An important part of the class will be the individual artistic exploration by the students in class of the various cultural aspects discussed in class. Students will prepare art materials like 12 colours further to					

instructions by the teacher. The teacher will provide the paper.
