Explanation:

1.Explanation of Course Categories (Grades are recorded and calculated according to the "Regulations on the Offering and Selection of Summer Courses" of NCHU):

(1)Course A: Mandatory professional courses.

(2)Course B: Professional elective courses, general education courses, and physical education courses.

2.The number of enrollments for regular students must meet the qualification requirements, and a class can be formed only if the number of paying students reaches 20 or more. Overseas students can apply for subsidies from the Ministry of Education, and a class can be formed if the number of eligible and paying foreign students is 6 or more.

3.The tuition fees for summer courses are based on the "[The NCHU Guidelines on the Payment of Miscellaneous Fees, Credit Fees and Other Fees](#)".

4.Relevant information about class schedules, locations, and instructors for class-formed courses will be announced progressively as provided by the offering units.

5.**For subjects that cannot be formed into classes**, the paid credit fees will be transferred to the applicant's account at First Commercial Bank or the post office. **Students should accurately provide their own account numbers. (If providing an account from a bank other than First Commercial Bank or the post office, the student is responsible for the handling fee, approximately NT\$30.)**

6.Class hours: 18 hours of teaching for each credit, 36 to 54 hours of internship for each credit; midterm and final exam times can be determined by the instructor.

7.Changes to class times require the agreement of the instructor.

8.For subjects announced to be offered, students are not allowed to request withdrawal or refunds except for schedule conflicts. Applications for withdrawal and refund due to schedule conflicts **should be submitted within one week of the announced class start date**, and late applications will not be accepted. Once discovered, any subjects with schedule conflicts will have their qualification to take the relevant subjects revoked, and no compensation or refund application will be entertained. This is to protect the rights and interests of students, and strict compliance is expected.
