[Amended \(Article 4\) in the General Education Executive Committee on Sep. 7th, 2020](#)

- Article 1 National Chung Hsing University General Education aims at providing well-rounded education and guiding students to develop the good habits of self-planned learning so as to perfect any insufficiencies in the curriculum. For this purpose, the University's General Education Centre (hereinafter referred to as the Centre) established "National Chung Hsing University General Education Self-Planned Learning Course Execution Method" (hereinafter referred to as the "Method")
- Article 2 Principles and Process of General Education Self-Planned Learning points:
- i. "Self-Planned Learning Course" referred in this Method means students attending activities that comply with the principles of general education, organized by different units of the University, in forms of lecture, seminar, exhibitions, show case, competitions, and more.
  - ii. The aforementioned organizer shall submit on-line application 10 days prior to the event with relevant documents attached to the Centre for inspection. After receiving approval, event poster shall include the note "General Education Self-Planned Activity", to gain self-planned learning points.
  - iii. Students participating in Self-Planned Learning activities shall bring student ID and punch out in person in order to gain learning points. Students shall not gain learning points if the aforementioned activities are part of the curriculum.
- Article 3 Points for different category of general education self-planned learning activities are as follow:
- i. Students who attend lectures and cultural activities shall gain one point per activity: two points for each Huisun seminar.
  - ii. Points for other activities certified by the Centre is announced separately.
- Article 4 Regulations for undergraduate program students and extension undergraduate program students admitted prior to academic year 2017 are as follow:

- i. Students who have participated in at least one Huisun seminar and accumulated 18 [points](#) (inclusive) or more are viewed as having passed “Self-Planned Learning I” 1 credit general education course [may apply to the Center for credits in their final semester of study.](#)
- ii. Students who have participated in at least one Huisun seminar and accumulated 36 [points](#) (inclusive) or more are viewed as having passed “Self-Planned Learning II” 2 credit general education course, and [the credits will be issued](#) by the Centre in the final semester of study.
- iii. Only one of the above-mentioned regulations may apply, repeated application [and credit changes will](#) not be accepted.

Regulations for undergraduate program students and extension undergraduate program students admitted from academic year 2018 onward are as follow:

- i. Students who have participated in [self-planned learning \(at least one Huisun seminar\)](#), accumulated [18 effective](#) points (inclusive) or more, [and completed](#) the self-planned learning evaluation are viewed as having passed “Cross-Field Self-Planned Learning I or Cross-Field Self-Planned Learning II” and gain 1 [core curriculum credit which will be issued by the Center during the same semester.](#)
- ii. Students who passed “Cross-Field Self-Planned Learning I” and received 1 credit may [obtain 1 credit for](#) “Cross-Field Self-Planned Learning II” evaluation and [obtain a maximum of 2 credits.](#)

Article 5 Any unspecified areas in this Method is governed by and shall be construed in all respects in accordance with the laws and regulations of the University.

Article 6 This Method is established and executed after the approval of General Education Executive Committee; any amendments made hereafter shall be the same.
